STUDENTS UNITE IN ORANGE

On September 29th, OES students showed their solidarity by wearing vibrant orange shirts. They participated in age-appropriate educational activities and discussions that helped them grasp the significance of Orange Shirt Day. We formed a powerful circle in our school yard, symbolizing unity, respect, and reconciliation. Students and staff then took a walk through the nearby community carrying the message of awareness and hope for a more inclusive future.

TERRY FOX RUN

OES recently held an incredibly successful Terry Fox Run, where our students took to the streets, running laps around the block and through the Rec Centre field while roads were closed to traffic. Inspired by Terry Fox's story, they showed incredible determination and compassion. Not only did our students make a lasting impact with their determination, but they also raised a significant \$3068 for cancer research. We couldn't be prouder of our students for their commitment to this important cause. A special thank you goes out to Mr. Campbell for his exceptional organization and dedication in bringing this event to life.

OCTOBER 15TH, 2023

VALLEY SCHOOL RUN

OES hosted a successful Valley Schools Run. All students in Grades 1-3 participated in a 1km run while students in Grades 4-6 participated in a 2km run. We are proud of our students for their motivation and determination in completing both of these events!

APPLE FUNDRAISER

Our apple fundraiser was a success. Our school community raised \$1666 towards student field trips. The second apple pick-up date is Wednesday, October 18th from 3:30-pm-5pm.

MOVIE NIGHT

Our next school fundraiser will be a movie night on October 27th. Doors will open at 6:30pm and the movie will start at 7pm. Entry is \$2 per person. Please bring your own camping chairs. Popcorn and other snacks including baked goods will be available to purchase. Baking contributions would be greatly appreciated. Please make sure all baked goods are nut free. All proceeds will go towards field trips for our students.

HOT LUNCH

Thank you to all families for taking the time to fill out the hot lunch order form on a weekly basis. This has cut down on paperwork for both Ms. Andrea and classroom teachers and has reduced food waste. Please be reminded to fill it out by the Thursday of each week for the following week.

Order form: <https://forms.office.com/r/G1SnT278DN>

ONLINE TUTORING

Learn Quebec is offering free online tutoring for elementary school students starting at Grade 2. Registration for the fall session begins has begun!
