

A few notes from OES...

April 5, 2018

OES Spaghetti Dinner Fundraiser

Thank you to our school community for supporting the fundraising spaghetti supper last Thursday. Over \$2400 was raised through dinner ticket sales, with an additional \$600 raised by the chocolate bunny raffle. Congratulations to Naomie Dandurand, who won the prize! Our grade 5 & 6 students will benefit from the majority of the profit made as they sold 85% of the dinner tickets. Thank you to our parents who played a major part in the success of this evening.

OES Goes to Oz

We invite our families to join us for performances on **Thursday April 12th** (1:15 pm or 7:00 pm) and **Friday April 13th** at 9:30 am. Our younger students will have an opportunity to see the morning performance on Friday. Tickets are free of charge but donations to support our performing arts efforts will be gratefully received at the door. See you there!

Chateauguay Valley Majorettes 2018

Majorettes are starting up again and the team is looking for new members. Practices will take place on Fridays after-school at OES. All new and returning majorettes (between grades 3-6) are invited to attend the first practice at 3:30pm on **Friday April 6th** in the O.E.S gym. We will have a quick snack and then start preparing for the Ormstown Fair Parade. Hope to see you there! Please contact Kayleigh Tannahill on Facebook @Kayleigh Tannahill, e-mail @ kayleigh@live.ca or call/text 450-374-0403.

Mother's Day Flowers

It's *almost* safe to say that spring has arrived! It might be time to turn our thoughts to gardens and flowers and put those snow shovels away. Our Mother's Day fundraiser is just around the corner, with a new supplier (Noël Wilson Inc. in St. Rémi) and lower prices. Our order forms will be sent home on April 16th, with delivery on May 9th.

A special guest at OES

OES was pleased to welcome Stéphane Billette to our Cycle 3 classes today. Mr. Billette is a member of the National Assembly for Huntingdon and the Minister for Small and Medium Enterprises, Regulatory Streamlining and Regional Economic Development. Today's visit was a preamble to our Cycle 3 students visiting the National Assembly during their Quebec City trip in May. Our students made us proud by asking some very informed and interesting questions!

Please do not hesitate to contact me with any questions or concerns that you might have. I can be reached at jhenrico@nfsb.qc.ca or at school at (450) 829-2641.

All the best,

Joanne
