

Gr 5 & 6 English Language Arts Assignments

Week of May 18th

Hello students,

I would like everyone at home to continue with the “Headsprouts” placement test on [RAZ-KIDS](#) as well as read 2 books and do the quizzes for each of those books.

Also:

Grade 5 you are to read the nonfiction article *The Space Rock*. Answer all the **Pause and Think** questions as well as **Continue the Learning Journey**.
